

Attention St. Luke's Kids

ages infant to 18

Keys Treasures Lollipops

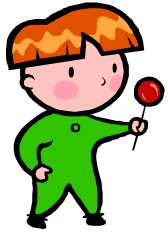

(What more can you ask for)

Last year's Sunday School year was the best ever and we are working hard to make the 2011-2012 year even better. You will learn stories from the Bible, sing songs, make crafts, play games, make new friends, and much, much more!
We think it's going to be so much fun that you will be excited to attend every Sunday.

The fun will happen every time you come to Sunday School.
Your first Sunday you will get your official

KEY SHAPED KEYCHAIN HOLDER

with your first "flip flop" keychain. Then, on other Sundays you can win as many as 29 additional really neat key chains!!! The lollipop tree will be back so that you have the chance to win cash and other exciting prizes. Then, every 4th Sunday that you attend, you will get to choose a key that opens one of three special treasure chests. Each treasure chest will have special prizes for you to choose from.

How many key chains will you collect????

How many times will you get to draw from the lollipop tree????

How many times will you get to open a treasure chest????

What terrific prizes will you win?????

Only you can answer those questions because the more times you attend Sunday School, the more key chains you will collect and the more opportunities you will have to draw from the lollipop tree, the more times you will get to open a treasure chest and have more chances to win really neat prizes.

And remember, we have classes for all ages. First, we have our 2 and under class. Barb Parrino & Crystal Todd will again be teaching and playing with our wonderful babies. And, Chrissy Arnold will again be teaching the 3—5 year olds. Rachele Kiesling will now be teaching our Elementary Class, 1st grade—5th grade. The Youth Group will again be led by Jodie Puhr, & Ryan & Tonya O'Boyle. We will again have 2 adult classes, one taught by David Lyon and the other one taught by Phil Parrino & Terry Schuster.

So, tell your parents that you want to go to Sunday School and that you think they should too!

Want to know more? Then stop monkeying around and be at church on Sunday, September 11th, at 9:30 AM. Details will be unveiled at the potluck dinner.
