Donated \$500 to I-Share

Volunteers took care of the following: (hope we didn't leave anything out) Outdoor Cleanups; planting, weeding, trimming, watering, raking and any other outdoor tasks; snow blowing; building repairs (there is no way to list them all); electrical work including wiring, light installations, light bulb changing; recording financial records; counting offerings; office help; teaching Sunday School; sponsoring youth activities; and on and on and on—we couldn't function without our volunteers!

Busy Finger Donated \$175 to Steppingstone
